Findings of Fact & Conclusions of Law

Petitioner, Department of Environmental Protection, appeared by authorized representative, Dantney Parks;
Respondent, appeared by authorized representative, Ilma Ba

The summons sets forth a violation of NYC Administrative Code, section 24-146(b), dust allowed to be airborne.

Ms. Parks stated that she would rely on the allegations as set forth in the summons and produced supporting documents.

Mr. Babu argued that Respondent had a mitigation plan; that the area was watered down and that Petitioner's evidence is

insufficient to establish the cited offense and produced a supporting document.

I find that the summons sets forth a prima facie case. I don't credit Mr. Babu's argument and I find that Mr. Babu has not rebutted the allegations as set forth in the summons.

Accordingly, the summons is sustained and the mandatory penalty is imposed.
