Findings of Fact & Conclusions of Law

The hearing was held via telephone on 8/10/2026. The respondent appeared by attorney, Ms. Tiffany Irizarry. Mr. Michael Grosso waived the petitioner's appearance via email.

The summons alleges a first offense violation of NYCAC 24-163 for idling a van with NY License Plate #57530MG longer than three minutes while stopped, standing or parked on Grand Street between Greene Street and Mercer Street Manhattan.

Ms. Irizarry stated that while her client generally denies the violation, she will present no evidence or argument in rebuttal.

I find the sworn statements in the summons establishes the petitioner's charge. Given Ms. Irizarry's statement, I find the respondent has not refuted the charge

I sustain the summons and assess the \$350 penalty.
