Findings of Facts & Conclusions of Law

Ilma Babu, Employee, appeared for the Respondent. The Petitioner was represented by Michael Grosso.

The Respondent was charged with idling the engine of a vehicle for more than three minutes on E. 47th Street (between Madison Avenue and 5th Avenue) on May 24, 2024.

The Respondent's Representative denied the charge and did not provide a rebuttal.

I find that the Petitioner's summons to be persuasive evidence that the Respondent was in violation on the date of issuance.

The summons is hereby sustained.
