Findings of Fact & Conclusions of Law

Respondent appeared by Ilma Babu, authorized rep, hereinafter "respondent." Petitioner appeared by of DEP. Respondent is charged with idling a motor vehicle for more than one minute by a school. Respondent argues that the video does not show the school and the law requires that the school or park be visible in the video. The video does show that there is a sign across the street that says "broadway Hills" and is visible on the video. Respondent then argued that better signage is required. I am not persuaded by respondent's argument and I credit the statements on the summons and I am sustaining this violation.
