Findings of Facts & Conclusions of Law

Petitioner.

The Respondent was charged with idling the engine of a vehicle for more than three minutes on W. 21st Street (between 5th and 6th Avenues) in Manhattan on September 9, 2024.

The Respondent's Representative denied the charge and did not provide a rebuttal.

I find the Petitioner's presentation to be persuasive evidence that the Respondent was in violation on the date of issuance.

The summons is hereby sustained.
