Findings of Fact & Conclusions of Law

Ilma Babu for Respondent, WALL EXPRESS SERVICES LLC appeared for a hearing by telephone on June 4, 2026. Petitioner, Department of Environmental Protection waived their appearance.

Respondent is charged with a violation of the New York City Administrative Code Section 24-163 for causing or permitting to cause the idling of a motor vehicle for longer than 3 minutes.

At the hearing, Respondent's representative states that she has reviewed Petitioner's evidence and denies the charges with no rebuttal.

I credit Petitioner's evidence and find it sufficient to establish the charge. Respondent does not present a valid defense to the charge. Therefore, the violation is sustained, and the standard penalty is imposed.
