Findings of Facts & Conclusions of Law

Alexander Stratis appeared as the authorized representative of the named respondent. No appearance for DEP.

The summonses cite a violation of 24-163 with 000992445P being a third offense.

The respondent did not dispute the priors in 000992445P and denied, but offered no evidence to rebut, the charge.

I find the sworn account of the issuing officer to be credible, and that it establishes the charge. The respondent failed to set forth a valid legal defense. The summonses are sustained with the third offense penalty for 000992445P imposed.
