Findings of Fact & Conclusions of Law

Auth. Rep. ALEXANDER STRATIS appeared for Respondent GOLDEN TIGER CONSTRUCTION INC.

DEP Rep. D. Parks appeared for Petitioner.

On 1/31/25, ON THIRD AVE BETWEEN E 86TH ST AND E 87TH ST, Manhattan, the I/O issued this summons alleging a violation of 24-163 (F) (2nd violation, unopposed)

Ms. Parks submitted into the record P1 - underlying summons, 5 photographs identifying the cited vehicle, the registration for cited vehicle, redacted idling complaint form and

Emailed Respondent and the Court a location, date and time-stamped video, 1 min 24 seconds, showing the cited vehicle idling with no processing device but acknowledged it is unclear if it is next to a school.

Mr. Stratis argued the cited school is not in the video and there is improper signage to identify it. Here, I find it credible that there was no school on the street where the cited vehicle was observed idling. Accordingly, Respondent is not in violation of the cited law and the summons is DISMISSED.
