Findings of Fact & Conclusions of Law

Alexander Stratis appeared on behalf of the Respondent, Cintas Corporation, and Petitioner, DEP, did not appear at a remote hearing held on 3/7/2026.

Respondent was charged with idling a van for more than three (3) minutes on Roosevelt Ave between 59th Street and 60th Street, Manhattan in violation of AC 24-163.

AC 24-163 provides that:

No person shall cause or permit the engine of a motor vehicle, other than a legally authorized emergency motor vehicle, to idle longer than three minutes...unless the engine is used to operate a loading, unloading or processing device.

Mr. Stratis denied the violation with no rebuttal.

I credit Petitioner's sworn statement and find it establishes a violation of the cited section of law. I find that Respondent did not establish a defense or rebuttal to the charge.

Accordingly, I find Respondent in violation of the cited section of law and impose the mandatory penalty.
