Findings of Fact & Conclusions of Law

The Petitioner, the New York City Department of Environmental Protection did not appear at the hearing, which was held by telephone.

Tiffany Irizarry appeared under oath as the authorized representative of the respondent. She submitted no defenses, nor any evidence in support. She did not challenge the 3rd offense charge.

Respondent is charged with idling of a vehicle for more than 3 minute while parked, stopped, or standing under Code 24-163, under Code 24-163, as a third offense.

I find that petitioner, through the sworn summons has credibly established that the cited vehicle was idling for more than 3 minutes while parked, stopped as a third offense.

Based upon the above, I sustain this summons and impose the statutory third offense penalty.
