Findings of Fact & Conclusions of Law

Antwan Gibbs appeared for Petitioner and stated he stands by the summons and submitted supplemental evidence (in file).

TIFFANY IRIZARRY appeared for Respondent and stated that this is a bread truck, and the truck light was on to process bread and for workers to see what they are doing .

A truck light is not a processing device. I credit the summons and find at time of inspection there was a violation of 24 -163.

Summons is sustained .
