Findings of Fact & Conclusions of Law

On August 7, 2026, Tiffany Irizarry, a registered representative, appeared on behalf of Respondent, Sochak Global, Inc., for a remote hearing by telephone. Petitioner did not appear, relying on the Issuing Officer's affirmed statements in the summons.

Respondent was charged with violation of §24-163 of the Administrative Code of the City of New York for idling of motor vehicle engine for more than three minutes.

The Issuing Officer affirmed in the summons that on April 4, 2025, "Respondent caused or permitted the idling of a motor vehicle while parked, standing or stopped. As per DEP records, citizen observed TRUCK with NY license plate # 37258PF

idling for longer than three minutes from 4/4/2025 11:06:14 AM to 4/4/2025 11:11:31 AM at 500-542 2nd Ave."

Respondent's counsel denied the charge without rebuttal.

I credit the Issuing Officer's affirmed statements in the summons, which establish that the vehicle's engine had been idling for longer than three minutes. Respondent submitted no credible evidence to refute the charge or provide a defense.

Based upon the foregoing hereinabove, the preponderance of the evidence establishes that the vehicle's engine had been idling impermissibly for more than three minutes in violation of Code §24-163, and I impose a standard penalty of \$350.00.

Wherefore, the summons is hereby sustained accordingly.
