Findings of Fact & Conclusions of Law

Attorney Tiffany Irizarry appeared for Respondent, **WALL EXPRESS SERVICES LLC.**, appeared for a hearing on August 20, 2026. Petitioner, Department of Environmental Protection, did not appear.

Respondent is charged with NYC Administrative Code Section 24-163.

Summons alleges that Respondent caused or permitted the idling of a motor vehicle parked/standing/stopped ... 3rd and subsequent offense.

Respondent denied the charge but offered no rebuttal.

NYC Administrative Code Section 24-163 provides, in relevant parts, that no person shall cause or permit the engine of a motor vehicle to idle for longer than three minutes....

I credit the details of the summons. I find that Respondent did not have a valid defense. I find that the Respondent's vehicle was idle for longer than 3 minutes.

Accordingly, the Summons is sustained and the standard penalty of 600 is imposed as a 3rd and subsequent offense.
