Findings of Fact & Conclusions of Law

The Department of Environmental Protection (DEP) issued this Summons to Worldwide Logistics of NJ LLC. The Summons, based on a citizen complaint, charges that a vehicle owned or controlled by the LLC was illegaly idling for more than three minutes on the date and at the location indicated above; it also charges a second violation within three years. DEP did not appear at the remote hearing. Tiffany Irizzary represented the LLC; she denied the violation but offered no defense and did not contest the prior. Accordingly, this violation is sustained as a second offense, and the second offense penalty of $ 440 is imposed.
