Findings of Fact & Conclusions of Law

Tiffany Irizzary, for Respondent, BLUETRITON BRANDS INC appeared for a hearing by telephone on September 9, 2026. Petitioner, Department of Environmental Protection waived their appearance.

Respondent is charged with a violation of the New York City Administrative Code Section 24-163 for causing or permitting to cause the idling of a motor vehicle for longer than 3 minutes.

At the hearing, Respondent's Attorney states that he has received and reviewed Petitioner's evidence. Upon review, the Respondent denies the violation and has advised the workers not to idle.

I credit Petitioner's evidence and find it sufficient to establish the charge. Respondent does not present a valid defense to the charge. Therefore, the violation is sustained, and the standard penalty of $350 is imposed.
