Findings of Fact & Conclusions of Law

On October 9, 2026, Tiffany Irizarry, a registered representative, appeared on behalf of Respondent, Sirob Imports, Inc., for a remote hearing by telephone. Petitioner did not appear, relying on the Issuing Officer's affirmed statements in the summons.

Respondent was charged with violation of §24-163(f) of the Administrative Code of the City of New York for idling of motor vehicle engine for more than one minute while adjacent to school or park.

The Issuing Officer affirmed in the summons that on June 18, 2025, "Respondent caused or permitted the idling of a motor vehicle parked, standing or stopped while adjacent to Metrokids Preschool. As per DEP records, citizen observed TRUCK with

NY License Plate # 58448Nf idling for longer than one minute from 6/18/2025 5:17:10 PM to 6/18/2025 5:18:51 PM at on Horace Harding Expressway S SR between 219 St and 220 St."

Respondent's representative denied the charge without rebuttal.

I credit the Issuing Officer's statements in the summons, which establish that the vehicle's engine had been idling for longer than one minute while adjacent to a school in violation of Code § 24-163(f). Respondent submitted no evidence to refute the charge or provide a defense.

Based upon the foregoing hereinabove, the preponderance of the evidence establishes that the vehicle's engine had been idling impermissibly for more than one minute while adjacent to a school, and I impose a standard penalty of $350.00.

Wherefore, the summons is hereby sustained accordingly.
