Findings of Fact & Conclusions of Law

Respondent, Gangeshwar LLC, appeared by its authorized representative, Nora Brown, in response to the above issued summons for an alleged violation of category 12 for failure to prevent unnecessary alarms. Petitioner appeared by Russell Walker, agency hearing representative.

Mr. Walker rested on the summons and stated that Respondent certified correction and was issued a correction letter. Therefore, he recommended mitigation.

Ms. Brown did not deny the allegations or have additional evidence to present.

I credit the uncontested allegations in the summons and find that Petitioner proved this violation by a preponderance of the evidence. I also credit Respondent's timely correction and accept Petitioner's penalty recommendation.

Summons is sustained, and Respondent is ordered to pay the mitigated penalty for a first offense.
