Findings of Fact & Conclusions of Law

The hearing was conducted via telephone conference call on May 21, 2025.

Frank Tamberino, Esq. appeared on behalf of respondent. Eric Monk appeared on behalf of petitioner FDNY.

The summons charges Vc 27, electrical lighting hazard. Mr. Tamberino stated that proofs had been submitted to FDNY to show correction; Mr. Monk stated that they were received, reviewed them and stated that petitioner accepts respondent's timely correction.

I credit the summons details and I find that the petitioner has established a valid charge against the respondent. I credit respondent's timely correction, which does not establish a valid defense but does warrant the reduced penalty. I find the respondent in violation and impose the reduced penalty of \$375.
