Findings of Fact & Conclusions of Law

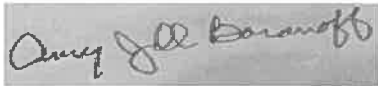

Michael Sargo appeared as the authorized representative of the name respondent, and Eric Monk appeared for the Petitioner.

The summons cites a violation of VC20

The respondent denied, but offered no evidence to rebut, the charge, and submitted an evidence packet which Petitioner found to be proof of timely correction.

I find the sworn account of the issuing officer to be credible, and that it establishes the charge. The respondent failed to set

forth a valid legal defense. The summons is sustained. The mitigated penalty is imposed.
