Findings of Fact & Conclusions of Law

Respondent, LODIARIS POPAJ, appeared by remote hearing. Respondent was represented by his attorney Michael Nacmias. Petitioner, Police Department did not appear.

Respondent is charged with a violation AC 24-232(a). The officer heard noise from a block away.

Mr. Nacmias argued that the summons did not clearly state what, if anything, the Respondent did wrong. It's very vague.

I find that the summons did not establish a prima facie case. No facts were alleged. There is no connection to a commercial or

business enterprise. Additionally, the officer did not state what decibel levels were allowable versus what was measured.

Accordingly, this summons is dismissed.
