Findings of Fact & Conclusions of Law

The hearing was conducted via telephone conference call on November 19, 2024.

Chia Han Lin appeared as authorized representative for respondent Square Pizza. Petitioner Eric Eisenberg appeared at the hearing.

216405714 charges AC 24-244(b), respondent playing sound from speaker outside of business, as a third offense. Petitioner presented the records for the two prior summonses, which were found in violation.

Mr. Lin testified that the respondent does not deny the charge, or the prior summonses, but only contests the penalty to be assessed. Mr. Lin presented Appeal 2400526, Eric Eisenberg v. Square Pizza, in support. Mr. Eisenberg presented part of a Verified Answer to an Article 78 proceeding with Index No 159847/2023, wherein the city includes OATH's position that there was only a temporary decrease in penalty for a 24 day period. It is noted that the full Answer was not presented, there is no indication as to what days the 24 day time period involves.

I credit the summons details and the evidence presented as to the priors, and I find that the petitioner has established a valid charge against the respondent. I find the respondent in violation, and in accordance with Appeal 2400526, a penalty of \$50 is imposed.
