Findings of Fact & Conclusions of Law

Telephone hearing held on 9/24/26.

Attorney Michael Sargo, Esq. appeared for Respondent MAMDOU SOW

Petitioner did not appear.

On 5/7/26, at 1563 METROPOLITAN AVENUE, BRONX, the I/O issued this summons alleging a violation of 19-176(b).

The cited section of law states: b. No person shall ride a bicycle upon any sidewalk unless permitted by an official sign. A person who violates this subdivision may be issued a notice of violation and shall be liable for a civil penalty of not more than one hundred dollars which may be recovered in a proceeding before the environmental control board.

Mr. Sargo moved to dismiss, arguing the details do not allege the PO witnessed Respondent, and only states the Respondent was observed but not by who.

Here, the details state: At TPO Deft (Sow Mamdou) was observed riding his bike on the sidewalk which is prohibited.

Upon review, the allegation is sufficiently clear and concise as to put Respondent on notice of the violating charges. Mr. Sargo's motion is denied. It is reasonable and clear that the I/O was the person who observed Respondent violating the cited law.

I credit the sworn testimony of the I/O and find that Petitioner has proven its case by a preponderance of the evidence.

Accordingly, the summons is SUSTAINED.
