Findings of Fact & Conclusions of Law

Michael Nacmias, Esq. appeared for Respondent. Petitioner NYPD did not appear.

Respondent was cited for violating AC 24-228 for operating a 2020 BMW with a loud engine exhaust which could be heard from more than 150 feet away.

Mr. Nacmias argued service was improper because the certificate of service is blank. He also argued that the cited code is the wrong law. He argued the law and the allegation does not match.

I credit Respondent arguments. The certificate of service is blank. Service was improper. Also, the cited code relates to construction devices that create an unreasonable noise. The summons is dismissed.
