Findings of Fact & Conclusions of Law

Michael Nacmias for the Respondent.

NYPD did not appear.

Respondent made a motion to dismiss based on defective service. He stated that the affidavit wasn't filled out and there was no indicia that the summons was even served. In addition, He stated that the summons failed to mention an injury which is an

element of the charge.

Here, I find the service to be defective per se and dismiss the summons on that grounds. Dismissed.
