Findings of Fact & Conclusions of Law

The hearing on summons number 039529580Z was conducted by telephone conference call on September 21, 2026.

Petitioner Department of Buildings appeared at the hearing through attorney Shivajeet Chakraborty. Respondent SAHARA CONTRACTING CORP appeared at the hearing through attorney Michael Sargo.

The Issuing Officer alleges in the summons that Respondent committed a Class 2 violation of BC 3309.14 for failing to provide protection of adjoining property during construction or demolition as required. Specifically, the IO affirms observing no window protection for adjacent properties at exposures 2 and 4.

Petitioner relies on the sworn statements contained in the summons.

Respondent denies the matter with no rebuttal.

I credit the statements contained in the summons and find a Class 2 violation of BC 3309.14 as alleged. As Respondent does not refute the charge and does not put forth a recognized defense, the summons is sustained, and the standard penalty imposed.
