Findings of Fact & Conclusions of Law

Respondent, Citywide Container Service Corp was issued the above summons alleging a violation of 34RCNY §2-14(f)(6) for failing to have proper street protection under commercial refuse container. Frank Tamberino, Esq. appeared remotely as Respondent's counsel. Perry Mitchell appeared remotely on behalf of the Petitioner.

The Petitioner submitted photographs in support of the summons.

The Respondent's counsel denied the details of the summons but did not put forth a defense.

I credit the undisputed findings of the issuing officer and find that the cited condition did exist. Without a defense put forth to the contrary the summons is prima facie evidence of the details alleged.

Accordingly, the summons is sustained.
