Findings of Facts & Conclusions of Law

Respondent, WEST 62ND STREET LLC GLENWOOD MANAGEMENT CORP, appeared via telephone in response to the above issued summonses. Respondent was represented by authorized representative, Nora Brown. Petitioner, Department of Health and Mental Hygiene, did not appear. The summonses allege a violation of NYC Administrative Code 17-194.1(F).

Ms. Brown moved to dismiss the summonses arguing that Petitioner was trying to apply the law retroactively. Ms. Brown testified that the cited statute went into effect 10 days after November 10, 2025. Ms. Brown testified that Petitioner could not enforce the law until May 2026. Ms. Brown testified that all the cited dates on the summonses were before May 2026. Ms. Brown testified that the penalty did not exist at the time the alleged violation occurred. Ms. Brown testified that Petitioner could not impose a penalty that did not exist at the time. Ms. Brown testified that the statute could only be applied proactively per New York State Law. In support of her testimony, Ms. Brown submitted "Matter of Regina Metro. Co., LLC v. New York State Div. of Hous. & Community Renewal" (2020). All Decisions. 1028 and two OATH decisions where summonses issued for the same section of law were dismissed.

I credit Respondent's testimony and evidence and find that Respondent established a valid defense. I find that Respondent credibly demonstrated that the cited section of law was not in effect at the time of the alleged infractions and therefore Respondent was not in violation.

Accordingly, these summonses are dismissed.
