Findings of Fact & Conclusions of Law

The hearing was conducted via telephone conference call February 11, 2026.

Michael Sargo, attorney for Respondent, appeared at the hearing. Russell Walker appeared on behalf of Petitioner.

The summons charges VC12 for unnecessary/unwarranted alarm with repeats. Petitioner's representative rested on the summons but confirmed timely corrections was received and recommended mitigation. Respondent's representative had nothing else to add.

I credit the summons details, and I find that the petitioner has established a valid charge against the respondent. I find Respondent in violation with no valid defenses but timely corrections and impose the mitigated penalty of \$935.
