Findings of Fact & Conclusions of Law

Petitioner, DEP, appeared by Inspector Leah Smith. Respondent appeared by its authorized representative, Lance Chebin. Respondent is charged with idling a truck for longer than three minutes.

Insp. Smith submitted: two photos; a redacted idling complaint; the affidavit of service; and a video.

Insp. Smith noted that the video depicts a flatbed truck and one worker loading the flatbed manually.

Respondent requested an adjournment to obtain additional evidence that a processing device was in use at the time.

Based upon the fact that this hearing had already been adjourned once by the respondent for further evidence, respondent's request was denied.

I credit petitioner's evidence. I find that respondent was in violation as alleged and this summons is sustained.
