Findings of Fact & Conclusions of Law

Frank Tamberino, Esq., attorney for respondent, appeared via telephone conference call on 5/14/25. Ahmad Al-Kaysey appeared on behalf of petitioner FDNY.

Respondent was charged with violating VC 5, recordkeeping.

Petitioner advised that they are resting on the summons and advised that respondent submitted evidence of correction on 5/9/25, before the first hearing date but after the compliance date. Petitioner advised that he himself reviewed the records and issued a letter of correction letter. Petitioner recommended the mitigated penalty based on timely correction.

I credit the summons details and find that petitioner has established a valid charge against respondent. Respondent has failed to establish a valid defense but has established timely correction. As such, and in accordance with petitioner's recommendation, I find respondent in violation and impose the mitigated/reduced penalty of \$350.
