Findings of Fact & Conclusions of Law

Frank Tamberino, Esq. appeared via Court Call on 02/12/26. Petitioner, DOB, did not appear.

Summons 039134975R was issued in violation of ZR 22-00.

Mr. Tamberino makes a motion to dismiss as the section of law is a general provision which is not a charging section.

I do not credit Mr. Tamberino defense since this section of law is a charging section if Petitioner made out their case. However, the details in the violation do not indicate that the vehicles were dead storage as the IO indicates that the

commercial vehicle had a license plate number. There is no information as to whether the 3 passenger vehicles were without a license plate or valid registration. Based on the facts and law, this summons is dismissed.
