Findings of Facts & Conclusions of Law

Petitioner, NYC DEP, did not appear. Respondent, Malca-Amit Armored, Inc., appeared by Chebin. The first hearing date was scheduled for March 3, 2025, today's hearing date. This summons is sustained and the third penalty imposed.

Respondent is charged under NYC Administrative Code Section 24-163 in that Respondent was idling a motor vehicle engine for more than 3 minutes. Petitioner is prosecuting this charge as a third violation.

Respondent did not challenge the priors, denied the charge but provided no rebuttals. I find that the violating conditions existed at time of issuance, and that Respondent established no valid defense. This summons is sustained and the third penalty imposed.
