Findings of Fact & Conclusions of Law

The NYC Department of Environmental Protection was not present. Respondent AGNLI INC was represented by Michael Nacmias, Esq., at a telephone hearing on June 30, 2025. Respondent's counsel waived the use of an interpreter, a formal reading of the charges and the presence of the Issuing Officer.

The summons alleges a violation of NYC Administrative Code 24-163. Date of occurrence was 04/02/24. This is a first offense.

Respondent's counsel denied the allegations and offered no rebuttal. No additional evidence was submitted.

I credit the sworn statement of the issuing officer and find that Petitioner established the violation. Respondent failed to rebut the allegations and present a valid legal defense.

Therefore, the summons is sustained, and the standard penalty is imposed.
