Findings of Fact & Conclusions of Law

Summons 000815850L alleges a violation of § 24-163 of the Administrative Code of the City of New York (Code), for idling of a motor vehicle engine for more than three minutes. The summons is charged as a first offense.

Petitioner, Department of Environmental Protection, appeared by John McLaughlin.

Respondent, RNH ELECTRIC COMPANY, appeared by Lance Chebin, authorized representative.

Petitioner's representative relied on the IO's statements on the summons and submitted photographs of the cited vehicle; a

NYC redacted citizen idling complaint; and a video.

Upon reviewing the evidence, Respondent’s representative denied the allegations without rebuttal.

I credit the IO’s statements in the summons.

Accordingly, the violation is sustained.
