Findings of Fact & Conclusions of Law

This hearing was conducted remotely by telephone. Attorney Michael Anthony Sargo appeared for Respondent. Attorney Tevin Grant appeared for Petitioner Department of Environmental Protection (DEP). Respondent is charged with a violation of 24-136.1(h).

This summons was previously adjourned for Respondent to explore a settlement. Respondent requested an adjournment to discuss a possible settlement with their client. Petitioner offered to settle for \$2750 and opposed the adjournment.

Respondent had ample time to discuss settlement with their client. I found there was no good cause to grant the adjournment

request, and it was denied.

Respondent then stated they accepted the stipulation offer, knowing that in doing so they admitted to the violation and waived their rights to appeal.

The summons is sustained, and the stipulated penalty is imposed.
