Findings of Fact & Conclusions of Law

This hearing was held telephonically on March 13, 2025.

Michael Sargo appeared on behalf of Respondent. Irving Pantin appeared on behalf of NYPD Traffic.

Petitioner charges AC 19-121(A), compressor on the roadway without an equipment permit. Petitioner submitted photos of the violating condition and a copy of a permit issued to Respondent for placing material on the street.

Respondent reviewed the evidence and stated that Respondent denies the charge with no rebuttal.

I credit the summons details establishing a valid charge and I do not credit Respondent's unsupported denial.

Accordingly, this summons is upheld and the standard penalty imposed.
