Findings of Fact & Conclusions of Law

Authorized representative Lance Chebin appeared at the hearing by phone for Respondent. Michael Grosso appeared by phone for Petitioner. Respondent was charged with a third offense violation of 24-163 for idling of a motor vehicle engine for more than three minutes. Mr. Chebin requested an adjournment. As this case was previously adjourned several times and no reason was given for the need for further adjournment, the request was denied. Mr. Chebin did not dispute that this was a third offense. He denied the violation, offering no rebuttal.

I credit the summons as written. I do not credit Respondent's general denial.

Accordingly, I find Respondent in violation and impose the minimum third offense penalty of \$600.00.
