Findings of Fact & Conclusions of Law

The summons alleges a violation of Title 24 Chapter 163 of the NYC Administrative Code in that respondent caused or permitted idling of a motor vehicle while parked standing or stopped for longer than 3 minutes. The Summons also alleged this was a repeat offense.

Petitioner, The Department of Environmental Protection, did not appear at the hearing.

Ilma Babul appeared as an authorized representative for the respondent, City Wide Container Service Corp, and denied the violation with no rebuttal.

I credit the factual allegation: in the summons which supports a violation of the cited code section. Accordingly, the summons is sustained, and the mandatory penalty, as a repeat, is imposed.
