Findings of Fact & Conclusions of Law

Ilma Babu appeared for the Respondent. The Petitioner was represented by Michael Grosso.

The Respondent was charged with allowing dust to become airborne on 4th Avenue (between Degraw and Douglas Streets) in Brooklyn on November 27, 2024. The summons was issued as a 1st Offense.

The Petitioner submitted evidence to support the summons (see PET EXH 1; images and video). The Respondent's Representative denied the charge and provided evidence (SEE RESP EXH A; dust mitigation plan) to support the claim that the contractor "hosed down" the cited materials before placing them in the truck to reduce residual dust. The Petitioner moved

to maintain the charge.

I find that the Petitioner's presentation to be persuasive evidence that the Respondent was in violation on the date of issuance.

The summons is hereby sustained.
