Findings of Fact & Conclusions of Law

Petitioner appeared by Brij Persaud. Nora Brown appeared for the named Respondent charged with failing to have street protection under a construction container.

Petitioner submitted photographs and then rested on the sworn details of violation (Pet. exh. 1).

Respondent argued that they had street protection, but someone removed it (Resp. exh. A).

Respondent's photograph showing wooden planks was undated. I therefore find that they have failed to provide sufficient

credible evidence to rebut the charge.

I credit the sworn allegations and sustain the charge.

The approved penalty is imposed.
