Findings of Fact & Conclusions of Law

Ilma Babu appeared as Authorized Representative for the Respondent, waiving translation, counsel and the appearance of an IO. On behalf of the DEP appeared Inspector John McLaughlin. The summons alleges a indiling motor vehicle complaint.

The Respondent states that the vehicle was not on the street, but were an alley and needed time to build air pressure for the brakes in this vehicle. They are also stating that the engine needed to be on to use the vehicle (in working mode) and were actively doing work

The DEP states that there is an appeal that said air pressure and the brake system is not considered a exception to this
