Findings of Fact & Conclusions of Law

The Respondent, 388 Harborview Housing Development, appeared by its authorized representative Mabel Ogbojafor. Petitioner, FDNY appeared by Kofi Speed. The summons alleges violations of VC 20, Inspection and Testing in the manner described in the summons.

Respondent asked for an adjournment and stated that Harborview was waiting on a test. The FDNY through, Mr. Speed rested on the summons. Mr. Speed objected to the adjournment request and testified that the Respondent did not arrange for a test. This was not the first request, and good cause not being shown the adjournment request was denied. The FDNY recommended the standard penalty for a VC 20 violation.
