Findings of Fact & Conclusions of Law

The hearing was held via telephone on 6/9/2025. The respondent appeared by authorized representative, Mr. Lance Chebin. Ms. Dantney Parks appeared for the petitioner.

The summons alleges a 3rd/subsequent violation of AC 24-163 for idling a motor vehicle longer than three minutes. It cites two prior summonses.

Mr. Chebin did not contest the two cited prior summonses. He stated that while the respondent generally denies the violation, he will present no evidence or argument in rebuttal.

I credit the sworn statements in the summons and find the petitioner has established a valid charge. Given Mr. Chebin's statements, I find the respondent has not rebutted the charge.

I sustain the summons and assess the \$600 3rd/subsequent offense penalty.
