Findings of Facts & Conclusions of Law

Petitioner appeared by Michael Grosso and Respondent appeared by its authorized representative, Chia-Han Lin. Respondent is charged with two violations for idling of a motor vehicle in excess of 3 minutes. Petitioner submitted its evidence package including a redacted complaint, photos, and a video clip. Respondent denied the charges and stated that the vehicles in both summonses were engaged in active shredding services for which it required the engine to be on. Petitioner stated that the videos do not reflect that any actual shredding was occurring at the times the videos were recorded as nothing was heard from the shredders within the truck. I credit Respondent's statements that it was actively engaged in running the shredders. Accordingly, these summonses are dismissed.
