Findings of Facts & Conclusions of Law

Petitioner, NYC DEP, appeared by Monica Dorson. Respondent, Stericycle Inc, appeared by Ilma Babu. The first hearing date was scheduled for November 13, 2025, today's hearing date. This summons is sustained and the second penalty imposed.

Respondent is charged under NYC Administrative Code Section 24-163 for idling a motor vehicle engine for more than 3 minutes. Petitioner is prosecuting this summons as a second offense due to summons 000713997Z.

Respondent claimed that the violating conditions did not exist, that the video was not clear, that the vehicle was allowed to park at place of occurrence. Petitioner relied on the evidence. I do not credit Respondent's testimony. I credit Petitioner's documentary evidence. I find the violating conditions existed at time of issuance, and that Respondent has not established a valid defense. This summons is sustained and the second penalty imposed.
