Findings of Facts & Conclusions of Law

Petitioner NYC Department of Environmental Protection waived appearance (via email from Michael Grosso) and respondent Ares Holding LLC appeared by Nora Brown of the office of Michael Nacmias.

The hearing considered three summonses, each alleging a violation of NYC Administrative Code 24-163, excessive idling, and each observing respondent's vehicle idling for a period in excess of three minutes.

Respondent denied but did not rebut the charge with respect to all three summonses.

I credit petitioner's evidence and find it supports a violation of the cited section of law as to each summons. The three summonses are sustained and a separate penalty of \$350.00 is assessed as to each.
