Findings of Facts & Conclusions of Law

The respondent was represented by Nora Brown. The petitioner was represented by Eric Monk. The summonses allege the respondent's failure to maintain the fire protection systems, means of egress and emergency preparedness. The respondent did not deny the allegations and the petitioner confirmed that the matters had been corrected prior to the first hearing date. As such, the petitioner recommended the assessment of the mitigated penalty for each violation. The respondent was so advised. There being no argument or evidence presented to either rebut the charged violations or establish valid defenses thereto, the summonses are sustained and the mitigated penalties assessed.
