Findings of Fact & Conclusions of Law

On 10/18/25, Respondent Builders Joseph and Sons was issued a summons alleging a class 2 violation of BC section 3307.7 for having no viewing panel to job site fence at exposure #1 of the cited premises located at the above indicated place of occurrence. The first scheduled hearing date was 12/24/25.

On 1/23/26, the hearing was conducted by telephone. Respondent appeared by its attorney Frank Tamberino. Petitioner DOB appeared by representative Gurtej Sahni.

Mr. Sahni rested on the summons.

Mr. Tamberino denied the charge but submitted no evidence in rebuttal.

I credit the IO's sworn to statement of the Issuing Officer on the summons and find that Petitioner established a prima facie case for a class 2 violation of the cited section of law. I do not credit Respondent's denial and find that Respondent failed to submit any evidence in rebuttal. Accordingly, I sustain the summons and impose the mandatory penalty.
