Findings of Fact & Conclusions of Law

The summons is sustained.

The Respondent, JC CONTRACTING MGMT LLC, appeared by its authorized representative, Ilma Babu, NACMIAS LAW FIRM PLLC. The Petitioner, NYC DEPARTMENT OF ENVIRONMENTAL PROTECTION, appeared by its representative, Inspector, Dantney Parks.

The summons alleges a violation of NYC Air Pollution Control Code Section 24-163, Idling of a Motor Vehicle engine over three (3) minutes. The Issuing Officer specifically alleges in details of the violation that the charge was based on a Citizen Complaint

alleging that Respondent's van with NY license plate #68019MJ was idling for longer than three (3) minutes on April 19, 2024 beginning at 9:30:44 AM on Columbus Avenue between West 86th and West 87th Streets in Manhattan. Additionally, the summon is alleged to be a third or subsequent offense and two (2) prior summonses are cited on the face of the instant summons.

Petitioner's representative relied on the summons for Petitioner's main case.

Respondent's representative denied the existence of the violating condition but did not present any evidence or assert any affirmative defenses the charge. Respondent's counsel did not contest the recidivism allegation.

I find on the Petitioner's credible case that the violating condition described in the summons existed and the standard penalty for a third and subsequent offense is imposed.

The summons is sustained.
