Findings of Fact & Conclusions of Law

A hearing was conducted by telephone on September 23, 2025. Nora Brown appeared for the respondent. Senior Inspector Dantney Parks appeared for the petitioner. The summons alleged a violation of NYC Admin. Code sec. 24-163 in that the respondent's truck was idling for longer than three minutes while parked or standing; this violation was the third such offense with two previous violations having been issued under summonses 000807462J and 000814150X. The petitioner rested on the summons; the respondent denied the allegations without rebuttal. I, therefore, credit the summons allegations, uphold the summons, and impose a penalty of \$600.
